JOB MATCH AND EVALUATION

DIRECTIONS

Carefully cut out each of the following agriculture job titles and the descriptions. Lay them out on a flat surface, and match each job with the correct definition. Then put them in order, from which job you would like the most, to the job you would like the least. When you are done, write a 1-paragraph summary explaining how you selected the jobs you liked the most, and those you liked the least!

1	**AGRICULTURAL AVIATOR**	**A**	I work for one of the world's leading supplier of plant genetics. I study crops like corn and soybeans, so we can help farmers grow better crops for consumers.
2	**AGRICULTURE EDUCATION TEACHER**	**B**	I study what animals eat, and figure out what and how much they need to eat to stay healthy.
3	**CROP SCIENTIST FOR PIONEER**	**C**	I harvest trees so that you can have access to a variety of products made from wood, like paper and pencils. I work hard to effectively manage the environment, by planting new trees while protecting the soil, water and air.
4	**AGRICULTURE PHOTOGRAPHER**	**D**	A crop duster is one of the most common forms of my job. I work hard to keep plants healthy by stopping pests and disease.
5	**ANIMAL NUTRITIONIST**	**E**	I make sure the food you eat is healthy, safe, and tasty. I also have fun coming up with new food products and ways to eat food!
6	**GREENHOUSE MANAGER**	**F**	I study how animals act, and how they interact with others. I work at a zoo with specialty animals like tigers and zebras.
7	**MEAT SCIENTIST**	**G**	I am proud to raise healthy pigs which provide you with a nutritious and lean source of protein, pork!
8	**FORESTER**	**H**	I work in a public school to share information about agriculture. My students may become farmers, ranchers, mechanics, researchers, or simply informed consumers.
9	**ANIMAL BEHAVIORIST**	**I**	I am in charge of buildings that are used to grow plants, including flowers, vegetables, fruits, and even some trees!
10	**SWINE PRODUCER**	**J**	I am involved in agriculture through my creative art. My work is used in magazines, newspapers, books, journals, advertisements, and websites.
