The Purple Plow encourages students to research scenarios related to food, hunger and sustainability and build their own prototypes to solve the defined problem.
“Heart of a Shepherd” by Rosanne Parry

In this coming-of-age story, Ignatius, the youngest of five brothers in a military family grounded in the Christian faith, promises to take care of the ranch while his father is deployed in Iraq. Although some of the realities of the Iraq war are threaded in, the author primarily focuses on the details of contemporary Oregonian ranch life.
