

INTERNATIONAL LINE UP

Did you know? There are farmers and ranchers all around the world!

Directions: Draw a line to connect each capital with the correct country and continent. Check out this example.

Washington D.C. ————— United States of America ————— North America

CAPITAL	COUNTRY	CONTINENT
Beijing	India	Africa
New Delhi	Greece	Asia
Athens	Brazil	Europe
Brasilia	China	South America
Abuja	Nigeria	

Every part of the world has a unique culture.

Culture: the beliefs, customs, arts, etc. of a particular society — *Merriam Webster*

Let's find out about your culture. Use these questions to help you come up with ideas. Write a paragraph about the culture of your community.

What do you love most about your community?

What food do people enjoy in your community?

What does your community sound like?

What does your community look like?

What food is grown or raised in your community?

What do you like to do for fun in your community?
